REQUEST FOR ENTRY OF POWER OF ATTORNEY FILED AUGUST 23, 2006

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Power of Attorney filed in the above captioned application on August 23, 2006 has not been entered. Applicants request its entry.

On August 23, 2006, a Revocation and Power of Attorney was filed in the above captioned application, revoking all previous powers of attorney and appointing the practitioners associated with customer number 20529 to prosecute this application. Accompanying this Power of Attorney was: a Statement under 3.73(b) signed by the assignee of entire right, title, and interest; and copies of assignments from all inventors to the assignee. A filing receipt was stamped by the U.S. PTO, acknowledging receipt of this Power of Attorney and accompanying documents. A copy of this filing receipt accompanies this request.

On September 27, 2006, a decision on a July 10, 2006 Petition to Revive the above application was mailed to the applicants. A copy of the decision accompanies this request. In the decision, the Petitions Attorney notes that the address given in the petition, that of customer number 20529, "differs from the address of record." A review of U.S. PTO "PAIR" records has revealed that the Power of Attorney filed on August 23, 2006 has not been entered in the above application.

As the Power of Attorney filed on August 23, 2006 was complete and sufficient, Applicants request its entry.

Respectfully submitted,
